

NIMS ICS All Hazards Planning Section Chief Course

Location: 2668 Avery Ave

Date: January 24-25, 2012, 08:00-17:00

Provider: Emergency Management Institute

Course Description: The course is designed to provide local and state-level emergency responders with a robust understanding of the duties, responsibilities, and capabilities of an effective DIVS on an AHIMT. The course walks students through general information, including an overview of the Operations Section and information on incident mobilization, initial situation awareness and unit management. It also provides detailed instruction on responding to the incident and the command needs of the incident, as well as emphasizing the importance of risk management and safety considerations.

Course Objectives: The purpose of the NIMS ICS All-Hazards Position Specific Training Program is to provide a portion of the training that may be needed to establish Type III and IV Incident Management Teams (IMT's). This training program is designed to provide all-hazards competencies and behaviors for the eight Command and General Staff and selected Unit Leader positions within the NIMS Incident Command System and specifically within the Incident Management Team environment.

Course Prerequisites: IS 100, 200, 700 & 800; ICS 300 & 400.

Course Special Requirements: NIMS ICS All-Hazards Position Specific training should be completed by personnel who are currently members of Type III or Type IV Incident Management Teams, or by those seeking credentials/certification for ICS Command and General Staff or Unit Leader positions.
