

## Shelby County COVID-19 Testing Locations

You can be tested for COVID-19 in Shelby County FREE. Please call ahead at a location near you. If you need to find a COVID-19 testing, please call 833-556-2476 or 877-857-2945.

If you have more **severe symptoms**, please call the facility and report symptoms, recent travel, and possible exposure before going to the Emergency Room.

\*\*\*Do not go to a doctor's office or healthcare center for COVID-19 testing unless you were instructed to do so by your provider or have an appointment. \*\*\*

\*\*\*Do not go to an emergency department for testing or treatment unless you have called ahead to notify them first. \*\*\*
