March 17, 2021

SHELBY COUNTY KIDS MASK UP!

The **Shelby County Emergency Management & Homeland Security Agency** along with **The Chemours Company** would like you to help us “**MASK UP OUR KIDS**”. Children are our most precious cargo. As our students begin returning to the classroom, we want to help by providing masks for the children of Shelby County.

The Centers for Disease Control and Prevention recommends all people two years of age and older wear a mask in public settings and when around people who do not live in your household, especially when other social distancing measures are difficult to maintain.

The Chemours Company has generously donated funds to help purchase and provide child size masks for our little ones and our teenagers. We would like to thank several of our local area churches that have agreed to be a host site for the giveaways.

Please come out to one of our **MASK UP** locations on **Saturday, March 20, 2021 from 11A.M. until 3 P.M.** to pick up masks for your children.
